To the Graduating Class of 2024:  
You have gone the distance in putting together the start of a life-tool chest that will help you take on and navigate the next chapter of your life! Thank you for your diligence, perseverance -even during times that were difficult and seemed like massive stumbling blocks! The hard times (much like workouts and athletic training) build strength, agility and navigation skills for your pathway(s) ahead!

I will be praying that God protects and blesses your lives and your career paths ahead!!

A special thank you to the teachers, staff and administration who's cumulative efforts helped make this day possible for a special group of graduating Trojans!
